The Kitty Hawk Fire Department is proud that Sheri has been a member of our staff.

Congratulations to Scott M. Allenspach, who graduated from Wilson Fire Academy on May 15, 2009. Detective Brian Strickland Leads Training

Town of Kitty Hawk Police Detective Brian Strickland recently conducted a training session for Town of Kitty Hawk employees on Credit Card Fraud and Internet Safety. It was an extremely informative session and all employees left learning a great deal of new information. Detective Strickland conducts these trainings for our community as well. He is happy to work with civic organizations, youth clubs, churches, businesses, etc. The trainings can be targeted towards all audiences and can be age and subject matter specific. Those interested in having such a training please contact Detective Strickland at 252-261-3895.

Be Aware of Phony Robo-Calls

Be aware of receiving calls from Voice Touch of Daytona Beach, Florida, Network Foundation of Chicago, and Transcontinental Warranty of Fort Lauderdale, Florida. It has been reported that these firms are making calls to car owners stating that their car warranties are expiring. These companies have falsely stated to car owners that they are affiliated with the car manufacturers. If you do receive one of these calls you can file a complaint with the Federal Trade Commission at www.ftc.gov and click on the icon that says "Auto Warranty Calls".
